GUILTY PLEA AGREEMENT

Come now the parties and hereby agree, as follows:

1. PARTIES:

The parties are the defendant, JESSICA MEDRANO, represented by defense counsel, Bevy Beimdiek, Esq., and the United States of America (hereinafter "United States" or "Government"), represented by the Office of the United States Attorney for the Eastern District of Missouri. This agreement does not, and is not intended to, bind any governmental office or agency other than the United States Attorney for the Eastern District of Missouri. The Court is neither a party to nor bound by this agreement.

2. GUILTY PLEA:

Pursuant to Rule 11(c)(1)(A), Federal Rules of Criminal Procedure, in exchange for the defendant's voluntary plea of guilty to Counts 2, 3, 10, 11, 12, 13, and 14, the United States agrees that it will move for the dismissal of Counts 1, 4, 5, 6, 7, 8, and 9, as to the defendant at the time of sentencing. The government agrees that no further federal prosecution will be brought in this District relative to the defendant's use of the identifying information of K.M. to obtain cash and

services between on or about December 1, 2021 and June 30, 2022, of which the Government is aware at this time. In addition, the parties agree that the U.S. Sentencing Guidelines Total Offense Level analysis agreed to by the parties is the result of negotiation and led, in part, to the guilty plea. The parties further agree that either party may request a sentence above or below the U.S. Sentencing Guidelines range (combination of Total Offense Level and Criminal History Category) ultimately determined by the Court pursuant to any chapter of the Guidelines and Title 18, United States Code, Section 3553(a) as long as notice of any such request be given no later than ten days prior to sentencing and that said notice shall specify the legal and factual bases for the request.

3. ELEMENTS:

As to Count 2, the defendant admits to knowingly violating Title 18, United States Code, Section 1029(a)(5), fraudulently effecting transactions, and admits there is a factual basis for the plea and further fully understands that the elements of the crime are:

- (1) that the defendant knowingly caused and conducted transactions with one or more access devices that had been issued to other persons;
- (2) that the defendant did so to obtain money with a total value of at least \$1,000 during any one-year period;
- (3) that the defendant did so with the intent to defraud; and
- (4) that the defendant's conduct affected interstate commerce.

As to Counts 3, 10, 11, 12, 13, and 14, the defendant admits to knowingly violating Title 18, United States Code, Section 1343, and admits there is a factual basis for the plea and further fully understands that the elements of the crime are:

- (1) that the defendant knowingly participated in the scheme to defraud or to obtain money or property by means of false pretenses, representations or promises;
- (2) that the defendant acted with the intent to defraud; and
- (3) that for the purpose of carrying out the scheme or attempting to do so, the defendant caused interstate wire communications to take place.

4. FACTS:

The parties agree that the facts in this case are as follows and that the government would prove these facts beyond a reasonable doubt if the case were to go to trial. These facts may be considered as relevant conduct pursuant to Section 1B1.3:

K.M. is more than 73 years-old and suffers multiple health issues. Defendant agrees and admits that on at least one occasion prior to December 19, 2021, K.M. entrusted his debit card to Defendant, his niece, so that she could make purchases on his behalf. As a result, Defendant, a resident of the Eastern District of Missouri, obtained K.M.'s debit card number. Defendant further agrees and admits that she obtained additional identifying information of K.M. such as his date of birth and social security number.

Between January 21, 2022 and May 16, 2022, Defendant agrees and admits that she used K.M.'s debit card number to make online and in-store purchases at Wal-Mart for the benefit of herself and her immediate family. The items purchased online were shipped to Defendant's residence in St. Charles County, Missouri, and the in-store purchases occurred at various Wal-Mart stores located in Warren County and St. Charles County, Missouri. Wal-Mart is a retailer that operates in interstate commerce. Defendant further agrees and admits that the total amount of purchases that she made without K.M.'s permission exceeded \$12,000.

Defendant further agrees and admits that she used a Kohl's credit account in the name of K.M. without K.M.'s permission to obtain merchandise for her benefit and those of her immediate family.

Further, between January 24, 2022 and June 6, 2022, Defendant also admits and agrees that she electronically transferred \$57,950 from K.M.'s bank account to her own using Cash App, a finance app, and K.M.'s debit card number without K.M.'s authorization. Cash App is a business located in California with servers located outside the State of Missouri. The unauthorized transfers initiated from the State of Missouri included the following financial transactions:

COUNT	DATE	AMOUNT
3	January 28, 2022	\$750
10	May 17, 2022	\$500
11	May 17, 2022	\$1000
12	May 17, 2022	\$1000
13	May 23, 2022	\$1000
14	May 23, 2022	\$1000

Defendant agrees and admits that she obtained, and attempted to obtain, money, property, and services valued in excess of \$40,000 through the unauthorized use of K.M.'s debit card number and personal identifying information.

5. STATUTORY PENALTIES:

The defendant fully understands that the maximum possible penalty provided by law for the crime of fraudulently effecting transactions to which the defendant is pleading guilty in Count 2 is imprisonment of not more than 15 years, a fine of not more than \$250,000.00, or both. The Court may also impose a 3 year period of supervised release.

In addition, the defendant fully understands that the maximum possible penalty provided by law for the crime of wire fraud to which the defendant is pleading guilty in Counts 3, 10, 11, 12, 13, and 14 is imprisonment of not more than 20 years, a fine of not more than \$250,000.00, or both. The Court may also impose a period of supervised release of not more than 3 years.

6. U.S. SENTENCING GUIDELINES 2020 MANUAL:

The defendant understands that Counts 2, 3, 10, 11, 12, 13, and 14 are affected by the U.S. Sentencing Guidelines and the actual sentencing range is determined by both the Total Offense. The parties agree that the following are the applicable U.S. Sentencing Guidelines Total Offense Level provisions.

a. Chapter 2 Offense Conduct:

(1) Base Offense Level: The parties agree that the base offense level is 7 as found in Section 2B1.1(a)(1).

(2) Chapter 2 Specific Offense Characteristics: The parties submit that the following specific offense characteristic applies: 6 levels should be added pursuant to Section 2B1.1(b)(1)(D) because the loss exceeded \$40,000.00.

The Government also submits that following specific offense characteristics also apply: 2 levels should be added pursuant to Section 2B1.1(b)(2)(A)(i) because the offense resulted in substantial financial hardship to one or more victims; and 2 levels should be added pursuant to Section 2B1.1(b)(11)(C)(i) because the offense involved the unauthorized transfer or use of any means of identification unlawfully to produce or obtain any other means of identification.

Defendant disagrees with the applicability of Sections 2B1.1(b)(2)(A)(i) and 2B1.1(b)(11)(C)(i) as a matter of law.

b. Chapter 3 Adjustments:

(1) Other Adjustments: The Government also submits that the following specific offense characteristic applies: 2 levels should be added pursuant to Section 3A1.1(b)(1) because the defendant knew or should have known that K.M. was a vulnerable victim.

Defendant disagrees with the applicability of Section 3A1.1(b)(1) as a matter of law.

(2) Acceptance of Responsibility: Because Defendant does not object to the facts, and if the Government prevails in its position regarding the applicability of the enhancements, the parties recommend that three levels should be deducted pursuant to Sections 3E1.1(a) and (b) because the defendant has clearly demonstrated acceptance of responsibility and timely notified the Government of the intent to enter a guilty plea. The parties agree that the defendant's eligibility for this deduction is based upon information presently known. If subsequent to the taking of the guilty plea the government receives new evidence of statements or conduct by the defendant which it believes are inconsistent with defendant's eligibility for this deduction, the government may present said evidence to the court, and argue that the defendant should not receive all or part of the deduction pursuant to Section 3E1.1, without violating the plea agreement.

c. Estimated Total Offense Level: The Government estimates that the Total Offense Level is 16, and the Defendant estimates that the Total Offense Level will be 11.

d. Criminal History: The determination of the defendant's Criminal History Category shall be left to the Court. Either party may challenge, before and at sentencing, the finding of the Presentence Report as to the defendant's criminal history and the applicable category. The defendant's criminal history is known to the defendant and is substantially available in the Pretrial Services Report.

e. Effect of Parties' U.S. Sentencing Guidelines Analysis: The parties agree that the Court is not bound by the Guidelines analysis agreed to herein. The parties may not have foreseen all applicable Guidelines. The Court may, in its discretion, apply or not apply any Guideline despite the agreement herein and the parties shall not be permitted to withdraw from the plea agreement.

7. WAIVER OF APPEAL AND POST-CONVICTION RIGHTS:

a. Appeal: The defendant has been fully apprised by defense counsel of the defendant's rights concerning appeal and fully understands the right to appeal the sentence under Title 18, United States Code, Section 3742.

(1) Non-Sentencing Issues: The parties waive all rights to appeal all non-jurisdictional, non-sentencing issues, including, but not limited to, any issues relating to motions, discovery and the guilty plea.

(2) Sentencing Issues: The parties disagree as to the applicability of Sections 2B1.1(b)(2)(A)(i), 2B1.1(b)(11)(C)(i), and 3A1.1, and will litigate those issues at sentencing. The parties agree to abide by the district court's determination of those issues, and specifically waive their rights to appeal the district court's ruling resulting in the calculation of the Total Offense Level. In the event the Court accepts the plea, and after determining the appropriate Total Offense Level, sentences the defendant within or below the corresponding range, then, as a part of this agreement, the defendant hereby waives all rights to appeal all sentencing issues other than Criminal History, but only if it affects the Base Offense Level or Criminal History Category. Similarly, the Government hereby waives all rights to appeal all sentencing issues other than Criminal History,

provided the Court accepts the plea, and after determining the appropriate Total Offense Level, sentences the defendant within or above the corresponding range.

b. Habeas Corpus: The defendant agrees to waive all rights to contest the conviction or sentence in any post-conviction proceeding, including one pursuant to Title 28, United States Code, Section 2255, except for claims of prosecutorial misconduct or ineffective assistance of counsel.

c. Right to Records: The defendant waives all rights, whether asserted directly or by a representative, to request from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including any records that may be sought under the Freedom of Information Act, Title 5, United States Code, Section 522, or the Privacy Act, Title 5, United States Code, Section 552(a).

8. OTHER:

a. Disclosures Required by the United States Probation Office: The defendant agrees to truthfully complete and sign forms as required by the United States Probation Office prior to sentencing and consents to the release of these forms and any supporting documentation by the United States Probation Office to the government.

b. Civil or Administrative Actions not Barred; Effect on Other Governmental Agencies: Nothing contained herein limits the rights and authority of the United States to take any civil, tax, immigration/deportation or administrative action against the defendant.

c. Supervised Release: Pursuant to any supervised release term, the Court will impose standard conditions upon the defendant and may impose special conditions related to the crime defendant committed. As a special condition of supervised release, defendant agrees not to initiate

any contact, direct or indirect, with victims of the offense or identified government witnesses. These conditions will be restrictions on the defendant to which the defendant will be required to adhere. Violation of the conditions of supervised release resulting in revocation may require the defendant to serve a term of imprisonment equal to the length of the term of supervised release, but not greater than the term set forth in Title 18, United States Code, Section 3583(e)(3), without credit for the time served after release. The defendant understands that parole has been abolished.

d. Mandatory Special Assessment: Pursuant to Title 18, United States Code, Section 3013, the Court is required to impose a mandatory special assessment of \$100.00 per count, for a total of \$700.00, which the defendant agrees to pay at the time of sentencing. Money paid by the defendant toward any restitution or fine imposed by the Court shall be first used to pay any unpaid mandatory special assessment.

e. Possibility of Detention: The defendant may be subject to immediate detention pursuant to the provisions of Title 18, United States Code, Section 3143.

f. Fines, Restitution and Costs of Incarceration and Supervision: The Court may impose a fine, restitution (in addition to any penalty authorized by law), costs of incarceration and costs of supervision. The defendant agrees that any fine or restitution imposed by the Court will be due and payable immediately. The precise amount of restitution is unknown at the present time. Pursuant to Title 18, United States Code, Section 3663A, an order of restitution is mandatory for all crimes listed in Section 3663A(c). Regardless of the Count of conviction, the amount of mandatory restitution imposed shall include all amounts allowed by Section 3663A(b) and the amount of loss agreed to by the parties, including all relevant conduct loss. The defendant agrees to provide full restitution to all victims of all charges in the indictment.

g. Forfeiture: The defendant agrees the stipulated facts above are sufficient to support forfeiture of certain assets pursuant to the applicable forfeiture authorities. Defendant specifically agrees to the entry of a forfeiture money judgment. The defendant agrees the Court may enter a consent preliminary order of forfeiture any time before sentencing, and such Order will become final as to the defendant when it is issued and will be part of the sentence. The defendant agrees not to object to any administrative, civil or criminal forfeiture brought against any assets subject to forfeiture. The defendant will execute any documents and take all steps needed to transfer title or ownership of said assets to the government and/or to rebut the claims of nominees and/or alleged third party owners. The defendant knowingly and intelligently waives all constitutional and statutory challenges to any forfeiture carried out in accordance with this plea agreement, including but not limited to that defendant was not given adequate notice of forfeiture in the charging instrument.

The defendant knowingly and voluntarily waives any right, title, and interest in all items seized by law enforcement officials during the course of their investigation, whether or not they are subject to forfeiture, and agrees not to contest the vesting of title of such items in the United States. The defendant agrees that said items may be disposed of by law enforcement officials in any manner.

9. ACKNOWLEDGMENT AND WAIVER OF THE DEFENDANT'S RIGHTS:

In pleading guilty, the defendant acknowledges, fully understands and hereby waives his rights, including but not limited to: the right to plead not guilty to the charges; the right to be tried by a jury in a public and speedy trial; the right to file pretrial motions, including motions to suppress or exclude evidence; the right at such trial to a presumption of innocence; the right to require the

government to prove the elements of the offenses against the defendant beyond a reasonable doubt; the right not to testify; the right not to present any evidence; the right to be protected from compelled self-incrimination; the right at trial to confront and cross-examine adverse witnesses; the right to testify and present evidence and the right to compel the attendance of witnesses. The defendant further understands that by this guilty plea, the defendant expressly waives all the rights set forth in this paragraph.

The defendant fully understands that the defendant has the right to be represented by counsel, and if necessary, to have the Court appoint counsel at trial and at every other stage of the proceeding. The defendant's counsel has explained these rights and the consequences of the waiver of these rights. The defendant fully understands that, as a result of the guilty plea, no trial will, in fact, occur and that the only action remaining to be taken in this case is the imposition of the sentence.

The defendant is fully satisfied with the representation received from defense counsel. The defendant has reviewed the government's evidence and discussed the government's case and all possible defenses and defense witnesses with defense counsel. Defense counsel has completely and satisfactorily explored all areas which the defendant has requested relative to the government's case and any defenses.

10. VOLUNTARY NATURE OF THE GUILTY PLEA AND PLEA AGREEMENT:

This document constitutes the entire agreement between the defendant and the government, and no other promises or inducements have been made, directly or indirectly, by any agent of the government, including any Department of Justice attorney, concerning any plea to be entered in this case. In addition, the defendant states that no person has, directly or indirectly, threatened or

coerced the defendant to do or refrain from doing anything in connection with any aspect of this case, including entering a plea of guilty.

The defendant acknowledges having voluntarily entered into both the plea agreement and the guilty plea. The defendant further acknowledges that this guilty plea is made of the defendant's own free will and that the defendant is, in fact, guilty.

11. CONSEQUENCES OF POST-PLEA MISCONDUCT:

After pleading guilty and before sentencing, if defendant commits any crime, other than minor traffic offenses, violates any condition of release that results in revocation, violates any term of this guilty plea agreement, intentionally provides misleading, incomplete or untruthful information to the U.S. Probation Office or fails to appear for sentencing, the United States, at its option, may be released from its obligations under this agreement. The Government may also, in its discretion, proceed with this agreement and may advocate for any sentencing position supported by the facts, including but not limited to obstruction of justice and denial of acceptance of responsibility.

12. NO RIGHT TO WITHDRAW GUILTY PLEA:

Pursuant to Rule 11(c) and (d), Federal Rules of Criminal Procedure, the defendant 'understands that there will be no right to withdraw the plea entered under this agreement, except where the Court rejects those portions of the plea agreement which deal with charges the government agrees to dismiss or not to bring.
